Chujia Yu (于楚加)

Location: Changchun, Jilin Mobile: +86 13610742790 Email: ycjj1208@163.com

Education

Beijing Jiaotong University, Beijing, China *Sep.2023 - Jun.2026*
School of Traffic and Transportation
Master of Traffic and Transportation Engineering (80.5 / 100)
Supervisor: Meng Xu (mengxu@bjtu.edu.cn)

Harbin University of Commerce, Harbin, China *Sep.2019 - Jun.2023*

School of Management
Bachelor of Logistics Engineering (80.34 / 100)

Research Interests

Transport policy analysis; System dynamics method; Game theory; Future urban mobility systems.

Publication

[1] **Chujia Yu**, Simon Shepherd, Yongling Gao, Meng Xu* (2026). Dedicated autonomous vehicle lane measure for development of autonomous vehicles: A system dynamics approach. ***Transportation Research Part A: Policy and Practice***, 206, 104899.

[2] **Chujia Yu**, Simon Shepherd, Yongling Gao, Meng Xu* (***Under review***). Dynamic Coordination of Complementary Public-Private Investments for Infrastructure-Based Cooperative Driving Automation. ***Transportation Research Part D: Transport and Environment***.

Additional Experience

Teaching Assistant: Transportation Economics (Undergraduate Course), Beijing Jiaotong University, Spring 2025

Awards & Scholarships: Academic Excellence Scholarship (Master's level), Beijing Jiaotong University, 2023 - 2025; Academic Excellence Scholarship (Bachelor's level), Harbin University of Commerce, 2021 - 2023

Skills

Software: MATLAB, Vensim, Origin, Python; **System dynamics method** (published relevant papers); **Discrete Choice model** (relevant experimental experience); **Technology Diffusion Modeling** (published relevant papers); **Language**: IELTS (6.5).

Personality & Hobbies

Profile: I am fully committed to pursuing my goals with sustained determination.

Personality: Approachable, gentle, and reflective.

Interests: Badminton, fitness training, hiking, and quiet contemplation.
